Section 45 Policy not to be called in question on ground of mis statement after three years: (1) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later. (2) A policy of life insurance may be called in question at anytime within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based. Explanation I. For the purposes of this sub-section, the expression 'fraud' means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy: (a) the suggestion, as a fact of that which is not true and which the insured does not believe to be true; (b) the active concealment of a fact by the insured having knowledge or belief of the fact; (c) any other act fitted to deceive; and (d) any such act or omission as the law specially declares to be fraudulent. Explanation II. Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak. (3) Notwithstanding anything contained in sub-section (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer. Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive. Explanation. - A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer. (4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based: Provided further that in case of repudiation of the policy on the ground of mis-statement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation. Explanation - For the purposes of this sub-section, the mis-statement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured. (5) Nothing in this section shall prevent the insurer from calling for proof of age at anytime if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal."

Interpolation formula for Surrender Value calculation for monthly and half yearly premium payment mode for which full years' premium has not been paid	
Formula 1: Surrender Value payable during year t for monthly policy:	
Surrender Value for year t-1	
+	
(Surrender Value for year t - Surrender Value for year t-1) * (No of year t premiums paid/12)	
Formula 2: Surrender Value payable during year t for half yearly policy:	
SurrenderValue for year t-1	
+	
(Surrender Value for year t - Surrender Value for year t-1) * (No of year t premiums paid/2)	

Example 1:
Premium payment mode: Annual
Timing of surrender
Special Surrender value for year 4 = ₹ 1000
Special Surrender Value payable = 1000*93.70% =₹ 937.00

Premium payment mode: Single Premium
Timing of surrender
Special Surrender value for year 4 = ₹ 1000
Special Surrender Value payable = 1000*93.70% = ₹ 937.00

Example 2:
Premium payment mode: Half Yearly
Timing of surrender
Special Surrender value for year 4 = ₹ 1000
Special Surrender value for year 3 = ₹ 800
Interpolated surrender value = 800 + (1000-800)*(1/2) = ₹ 900
Special Surrender Value payable = Interpolated surrender value*98.39% = ₹ 885.51

Example 3:
Premium payment mode: Monthly
Timing of surrender
No of premiums paid in year of surrender = 4
Special Surrender value for year 4 = ₹ 1000
Special Surrender value for year 3 = ₹ 800
Special surrender value = 800 + (1000-800)*(4/12) = ₹ 866.67
